ONE...

ONE-
CHAN!

WHY WOULD
THAT BLACK
BIRD SHOW
ITSELF TO
US NOW?

IF IT WANTED
TO KIDNAP
TODOROKI,
THEN THERE'S
NO REASON
FOR IT TO
SHOW ITSELF.

IS THE MAGNUM
THAT'S INTERFERING
WITH THE DESIGN-
REASON.

IT'S REAL
OBJEC-
TIVE..

IT'S NOT
AFTER
TODOROKI!!

IT'S TRYING
TO LURE IN
GORMOS.

IT

A black and white manga-style illustration. In the center, a character with long dark hair and a flower-like headpiece is shown in a dynamic, possibly falling or being pulled, pose. They are surrounded by a chaotic environment of large, dark, feather-like shapes and bright, glowing particles. In the lower-left corner, a large, bright white oval contains the text "IT'S A TRAP!!". In the lower-right, there are sharp, intersecting lines suggesting blades or a trap mechanism. The overall composition is dramatic and action-oriented.
